

THE NEED TO SEE

6. See me

Children need to believe and imagine their best growth according to what they feel and think. The possibilities and potentials that can be imagined and dreamt about are quite astounding. The child is, in essence, proclaiming See Me.

Common Behaviours

Accident prone / ADD / Eyes - Itchy Conjunctivitis - Watery Sinus Issues / Nail Biting / Learning Challenges / Nose Bleeds / Nightmares / Sleep problems

THE CHILD MAY FEEL

- Distracted,
- confused
- shy
- Lack of focus
- Unsettled sleep or dreams

SUPPORT THE CHILD

- Assist your child's imagination, (make a vision board of their passions).
- Set daily or weekly intentions.
- Allow your child to imagine themselves as their greatest self

AFFIRM

I see all things in clarity
I can manifest my vision
