

THE NEED TO KNOW

7. Know me

Even from a very early age, children Need to Know about the deeper values guiding them, the purpose of their lives, and why they do the things they do. The child is, in essence, proclaiming -- Know Me, so I may know thyself.

Common Behaviours

Fatigue / Growing Pains / Hair Loss / Headaches / Skin Issues / Stance and Posture / Rash / Fainting and Dizziness

THE CHILD MAY FEEL

- Hypersensitive to the environment and people.
- Frustrated,
- Lack of connection

SUPPORT THE CHILD

- Assist your child to see the higher purpose in the situation.
- Bring self-awareness by helping the child see the deeper patterns in their experiences and why they keep creating certain situations.

AFFIRM

Divinity resides within me
I know my unique brilliance
